4. the certifying organization identified in G.S. 90D-7 having imposed a moratorium on testing or certification that has prevented the applicant from sitting for the qualifying examination and obtaining the results thereof prior to the expiration of the provisional license or any annual extension thereof; provided, however, that a provisional license that has been extended because of a moratorium may be extended one additional time following the end of the moratorium to allow sufficient time for the applicant to take the qualifying examination and to receive the results thereof, but it shall not be extended thereafter on the basis of a moratorium.
