RULE CHANGE - 21 NCAC 25 .0501(e)**

Comment	Board's Response
Comment made via email:	
Danette Steelman-Bridges: I am in full support of this temporary rule change for the renewal year of 2019-2020.	Noted.
Comments made during Public Hearing:	
Rachel Skipper: I agree with this proposal and I would like to move forward.	Noted.
Linda Farfard: I agree with this proposal, considering all the other government agencies making accommodations due to COVID-19 and this would be great.	Noted.
Campbell McDermott: I am new to NC and my question is would it be possible to not charge the renewal fee and waive the CEUs and possibly put everything back in place for next year when everyone is back on their feet?	Noted. Waiving fees is beyond the scope of this temporary rule.
Rachel Skipper: She commented she would like to support the comment that Campbell had made in support of waiving the fees and the CEU requirements for this year.	Noted. Waiving fees is beyond the scope of this temporary rule.
Campbell McDermott: I strongly suggest that if this proposed temporary rule is for financial need then I request the Board waive the fees, however if I think that if this just to waive the face to face components then the Board weigh their options and look into this.	Noted. Waiving fees is beyond the scope of this temporary rule.
