14
15 Board members introduced themselves.

16
17 Kathleen - Commented that she works with provisionally licensed interpreters. She has someone who
18 has a provisional license and asked for an extension. Is the process for the renewals and extensions
19 written down somewhere?

20
21 Caitlin and Dianne addressed this question.

22
23 Dianne asked if participants like the virtual aspect of the meeting. Several commented that they liked
24 the virtual option to attend the forum.

25
26 Dave asked a question of the attendees if there is anything they would like to see changed on the
27 website. Is there anything specific they would want to see?

28
29 Question in the chat - What type of documentation would the Board prefer to see for mentorships?

30
31 Caitlin addressed this question.

32
33 Kathleen - Thank you to the Board for allowing licensees to submit renewal information electronically. It
34 was awesome.

35
36 Dianne asked if there is anything people would like to see on the website, and readdress Dave's
37 question.

38
39 No comments on the website.

40
41 Dianne encouraged people to send written comments if they do have questions.

42
43 Kelle commented as a professional licensing agency that they monitor the list of current licensees, and if
44 a name comes off the list. If someone they work with comes off the list they reach out. If someone
45 lapses is there a time frame that the person can submit the information so that they can added back on
46 the list?

47

1 Caitlin addressed this question.
2
3 Kelle asked a few questions about the list and when it is updated. Questions about license "on hold"
4 and Caitlin explained.
5
6 Caitlin commented she would email Kelle about the question she had to give her more information
7 about the license lapsing; send to Pam King too, and Gabby Blankenship, and Kathleen Speckhardt.
8
9 Kelle commented on the list about how Cued Speech Transliterators are listed with a symbol, could the
10 Board consider noting Deaf interpreters. Add something next to the person's name so Deaf interpreters
11 (CDIs and DIs) can be set apart on the list.
12
13 Dianne commented on the number of Provisional Extension Requests received this year.
14
15 I move we closed the forum Dianne.
