EIPA Score Delay

15 The Board reviewed the EIPA policy as it was drafted. More background about this policy was
16 discussed. The policy would allow for an extended grace period for people who took the EIPA and are
17 still waiting on their results. The EIPA website lists that it is taking 7 months for people who took the
18 EIPA to get the results back.

Motion May 2024-01 (Shearer/Griffin) I move we adopt the EIPA policy for the 2024 renewal year Dianne, second Alicia. Question related to the motion. All in favor. Motion carries.
